There shall not be more than three of these counted that would amount to not more than 15 total deficiencies as a result. The coordinator or assistant coordinator must verify this particular subjective before points are assessed. If no points are assessed, then it will be treated as a normal subjective with a copy sent to the chief.

If a subjective of this type is written, and points are assessed, then a consultation will be held with the Program Coordinator\*, the chief of the respective department, and the candidate.
